

Street
Samaritans

GIVE. EDUCATE. CONNECT.

2019 ANNUAL REPORT

WALL OF FACES

A collaboration with Steve McKenzie

Homelessness does not mean faceless. It does not mean less human.

MISSION STATEMENT

Street Samaritans strives to provide human connection and grassroots outreach to those less fortunate living without shelter and means to thrive.

At Street Samaritans, we gather as a social community of volunteers to connect communities through charitable giving, raising awareness of the realities of homelessness, and serving those in need.

Success Factors:

Senior executive board and associate board, nonprofit partnerships, mutually beneficial and long-term corporate partnerships, mobile application development, recurring fundraising, strong leadership team, data, grant revenue, measurable impact and results

THANK YOU TO OUR NONPROFIT PARTNERS

We are in the business of making Chicago a better place to live for all people, whatever it takes. That's why we have decided to partner with other nonprofits that are aligned with our mission. These amazing adjacent organizations are striving to make positive impact in our community. We're happy to promote them within our network.

THANK YOU TO OUR COMMUNITY PARTNERS

Our community partners are a critical element of our support system that fuels our operations. With their charitable help, whether it's through giving, volunteering or product donations, we are able to provide more for our patrons. We feel that it's necessary to recognize these companies for their generosity and continued care of those less fortunate.

GET INVOLVED

At Street Samaritans, we're always looking for more individual community members and organizations to support our mission in providing outreach and human connection to Chicago's homeless population. These efforts help us to grow, spread awareness, widen our outreach and expand our programs to more less fortunate brothers and sisters.
